INTRODUCTION

5. This is a case of first impression before this Honourable Court. The crucial referenced case before this Hon'ble Court is the California, U.S.A., Case of Padam Kumar Khanna v. State Bar of California, Supreme Court case No. S141019, decided by summary disposal of the Petition of Padam Khanna on June 21, 2006. It is a historical case which challenges the capricious and arbitrary condemning of a duly registered Indian company by a non judicial referee of the State Bar Court of the State of California. As the California Supreme neither granted a hearing nor gave any written opinion in this matter, the decision of the State Bar Court was held to be the final decision of the Supreme Court of California itself. This decision, unprecedented even in the United States courts, violates the very basic principles of jurisdiction, service of notices and processes and right to a judicial hearing under our judicial system. Furthermore, by committing serious acts of Perjury, Falsification of Evidence and Abuse of Process, Defendants Jagjit Randhawa and Baljit Randhawa, herein after referred to collectively as 'Randhawas', have deliberately, knowingly, wantonly and with total disregards to the truth and veracity, have subjected Plaintiff to world-wide disgrace, shame, ridicule, hatred and slander *per se*.

6. The Supreme Court of California, the highest court of the state has absolute jurisdiction over the State Bar Court. After the decision of the judge of the State Bar Court, the Supreme Court summarily affirmed the said decision. It is not clear whether the Supreme Court read or vetted the documents presented at the trial at the State Bar Court level or not but by summary disposal, the decision is allowed to stand as the decision of the Supreme

Court. It is very bizarre and outrageous action by the Supreme Court. As the facts and the law of this case stand, by summary affirmation it has overruled a number of its own cases, positively set precedents of denial of due process of law both of liberty and property to the petitioner, has directly ridiculed, debased, defamed and attacked Amerindia Foods Limited, a duly registered company of India which was neither a party in the proceedings nor was ever served with summons and complaint. Plaintiff humbly requests this Court to protect the honour, dignity and mere survival of a small Indian duly registered corporation from this published decision which has blatantly and discriminatively been ridiculed, slandered and libeled *per se* in the Court of California, U.S.A., which had no jurisdiction over our Indian corporation. Leave alone the issue of jurisdiction, the California High Court did not even consider the following basic legal principles, prevalent in almost all civilized and decent democratic countries.

- A. No complaint or summons were ever filed, issued or served on our corporation. [It is not that our Indian Courts only serve the defendants with proper summons and complaint, the California Courts also require service of summons and complaint before any judgment is passed. See California Code of Civil Procedure.]
- B. No opportunity to defend or be heard was accorded to AFL.
- C. Officers of our corporation were labeled as dishonest, conniving, liars and untrustworthy persons *in absentia*.
- D. Duly stamped copies by the Registrar of Companies of the State of Andhra Pradesh of a) Certificate of Incorporation and b) Commencement of Business Certificate were summarily rejected as sham and thus dishonoured by the California Court without any proof or explanation whatsoever.
- E. ... were allowed by the sitting referee of the State Bar Court where the three days trial was held to

tell incredulous and totally unbelievable lies under oath. A direct and mind-boggling example is where Defendant Two, Baljit Randhawa, testified that she drove a car for the First Time in her life on California Freeways all by herself on reaching the country from her village in Punjab on a visa when in another court affidavit she testified that she had never ever driven a car not even in India and she had no license. [It is an established fact that even expert drivers from India are very careful in driving on the Freeways of America because of keeping to the right of the road and the steering wheel of American cars is on the left side of the road. The State Bar Court judge WAS FULLY COGNIZANT OF THIS FACT and yet she ignored it and by implication believed Defendant Two. Because the California Supreme Court summarily denied judicial hearing and written opinion, the State Bar Court judge's opinion is now the standing judgment. Over ONE BILLION people of our country are going to be in awe and would never believe such fabricated story - a village girl from Amritsar, who had never driven a car, got behind a parked car on the streets of San Francisco, California, on arrival into the country and took off on the Freeways..

- F. There are seventeen instances of lies and contradictions of both defendants stated under oath in both the depositions and the trial. These instances are well documented and shall be presented to this Honourable Court at the time of trial.

STATEMENT OF FACTS

7. Mr. Padam Kumar Khanna, hereinafter referred to as 'Mr. Khanna', an attorney in the State of California, was retained by AFL in November 1995 to negotiate purchase of food processing machinery from the United States and Italy for our new plant, to be constructed, in Nasik.
8. Early 1996, Mr. Khanna had a client, named Jagjit Singh Randhawa who hailed from India. In September 1996, Randhawa approached Mr. Khanna

Mr. Rachhpal Singh, hereinafter referred to as 'Singh', brother in law of Randhawa at Hilton Hotel, Barakhamba Road, New Delhi. Singh needed help in immigration issue and stated to Mr. Chiter Khanna that he had to migrate to U.S.A. as soon as possible. The meeting was set up through Mr. Padam Khanna of California who had given instructions to Defendants Randhawas in the United States. A copy of said instructions is attached herewith as ANNEXTURE 6.

10. During this meeting Singh learned about AFL and its connection with Mr. Khanna, his brother-in-law's lawyer. Singh enquired from Mr. Chiter S. Khanna whether he or his brother-in-law could invest in AFL. Mr. Chiter Khanna advised that he did not see any problem in an Indian citizen investing in an Indian company. Three days later Singh visited AFL's offices in Nasik and received the investment application.
11. On or about November 18, 1996, AFL was informed by Mr. Khanna that one of his client, Mr. Jagjit Singh Randhawa, hereinafter referred to as 'Randhawa', had deposited \$16,000 U.S. Dollars in Khanna Foods, USA, dormant account. Khanna Foods account was set up in the USA exclusively for dealing with AFL and for no other purpose. Khanna Foods account number was duly registered with the Reserve Bank of India for receiving royalties and payments in U.S. dollars. Mr. Khanna informed AFL that this deposit was made by Randhawa without his knowledge.
12. On learning about this deposit, AFL consulted its lawyers in India and Reserve Bank of India consultants and advisors. AFL was advised as follows:
"The Foreign Exchange Regulation Act, 1973 (FERA) as amended strictly disapproved hard currency investments by foreigners in an Indian Public Limited Company such as AFL."

13. Mr. Khanna was, therefore, advised to remit the said investment of \$16,000 to AFL's Bank Account Number 12457 at the Union Bank of India at Nasik City - 422 001, Maharashtra. Mr. Khanna duly deposited this sum on or about November 25th, 2006 which was finally deposited on the books of AFL on 30th December, 1996. At that point in time, \$16,000 amounted to approximately Rs. 5,52,000. After other extraordinary bank and overseas transfer fees etc., a sum of Rs. 5,00,000 was duly deposited in the account of Shri Jagjit Singh Randhawa in the books of AFL. See ANNEXTURE 5.
 14. AFL, as an Indian corporation was duty bound to obey, honour and follow the laws of its land. Therefore, AFL advised Mr. Khanna that after informing the Reserve Bank of India about this unsolicited and illegal investment, it will duly refund the money to Randhawa.
 15. In accordance with the company practice, AFL, Director of Finance, Shri Suresh Bhatia, duly acknowledged the receipt of \$16,000 amounting to Rs. Five Lakhs and Fifty Two Thousand only (Rs.5,52,000) on 21st December, 1997. This letter was mailed by regular airmail, postage prepaid to Randhawa's address in El Cerrito, California- 2023 Key Boulevard Street. An office copy of AFL letter is attached herewith as ANNEXTURE 7.
 16. In January, 1997, Randhawaa called AFL from United States and stated that his brother in-law, Singh, would remit the other Rs.5,00,000 because of his mistake of depositing \$16,000 in Khanna Foods, USA so that all transaction are proper and legal according to Reserve Bank of India. AFL officer who talked to Randhawa would testify before this Hon'ble Court under oath.
 17. In July, 1997, one of AFL's officers, Mr. Arthur Berg met with Randhawa in the Berkeley, California offices of Mr. Padam

Khanna where AFL had set up temporary arrangement to negotiate purchase of machinery. Randhawa investment was duly discussed and he was informed that he had to fill certain applications for purchase of shares as required by the Reserve Bank of India. He was given those forms. Randhawa also discussed the job application of his brother-in-law and his friend with AFL. A tentative offer of employment was made by Mr. Berg and a letter was issued which on July 7, 1997 which is attached herewith as ANNEXTURE 8. It should be pointed out to this Hon'ble Court that there is a typographical error in the date of the letter which reads July 7, 1007 instead of 1997. Mr. Arthur Berg is ready to testify before this Hon'ble Court about his meeting with Randhawa and the subsequent offer of employment.

18. Sometime in September, 1997, Singh called Mr. Virender Kumar, Secretary Corporate Affairs in Nasik and promised remittance of another Rs. 5,00,000 for the account of Randhawa to make his total investment as Rs. 10,00,000. [Mr. Virender Kumar is unsure of the exact date. However, he can testify that it was prior to 19th of September, 1997.] On 19th September, Mr. Virender Kumar issued a letter to Randhawa at his work place and informed him that on the strength of his brother-in-law's promise of remittance of another Rs. 5,00,000, and completion of application and approval of Reserve Bank, he would be issued AFL stock worth Rs. 10,00,000. This letter is attached herewith as ANNEXTURE 9.
19. No remittance was ever received by either Randhawa or Singh ever since.
20. During the period of 1997 and up to February 2003 there were severe financial problems were faced by AFL management including delivery of machinery from abroad and the problem of agricultural land owned by AFL in Nasik. Nasik offices were temporarily closed in March 2003.

21. In September 2003, AFL received a redirected letter of one Ms. Alice Verstegen, Senior Investigator of Office of the Chief Trial Counsel of the State Bar of California enquiring about the amount of \$16,000 as investment in AFL by Randhawa. A copy of that letter is attached herewith as ANNEXTURE 10.
 22. Immediately on receipt of this letter, Mr. Chiter Khannna, as the acting Chairman of AFL along with Mr. Kanwal Khanna, the addressee of The State Bar of California's letter replied IN DETAIL ALL THE QUESTION. A reading of this letter, ANNEXTURE 11, is extremely important as it clearly and unequivocally affirms the correspondence and telephone conversations between Randhawa and AFL and it chronologically details the relationship. Because AFL had not received any reply to its previous letters to Randhawa at his previous address of El Cerrito, California and even to AFL's letter addressed to his work place, AFL sent this important letter duly signed by both officers, after discussing it at AFL's Board Meeting, AFL made sure to have a record of this letter. Therefore, AFL, in accordance with the international practice of receipt enclosed the letter in an envelop and placed the envelop in a DHL COVER and sent it to the State Bar of California addressed to Ms. Alice Verstegen, Special Investigator on 17 September, 2003. A true copy of the said Airway Bill, Number 190179750 is attached herewith a ANNEXTURE 12
 23. The State Bar of California Prosecutor in a most bizarre, outré, illegal and unethical manner destroyed, hid or withheld the DHL Cover during the trial before the State Bar Court judge and stated that there was NO DHL cover and that AFL NEVER mailed that letter from India. Prosecutor placed the enclosed ordinary envelop containing the letter of AFL and displayed surprise about the appearance of the letter at the desk of the Special Investigator. To add insult to the injury, the Special Investigator also testified that

the said letter mysteriously appeared at her desk and that there was no DHL Cover to it. The DHL Cover was intentionally, deliberately, knowingly and wantonly destroyed or withheld by the Prosecutor in criminal conspiracy with defendant Jagjit Singh Randhawa.

CAUSES OF ACTION

I. a. Giving and Fabricating false Evidence:

Section 191 of the Indian Penal Code states that whoever, being legally bound by an oath or by an express provision of law to state the truth, or by being bound by law to make a declaration upon any subject, makes any statement which is false, and which he either knows or believes to be false or does not believe to be true, is said to give false evidence.

By making untrue and fabricating statements, under oath and before the Court as a witness, Randhawas have committed criminal offence under IPC Section 191. A glaring example of one of such acts is Jagjit Randhawa's statement to the Court that Amerindia is a non-existent and a sham corporation, not incorporated in India and that he had neither received any correspondence nor communicated with its officers. [Officers of Amerindia are standing by to testify otherwise before this Hon'ble Court.

b. Fabricating false evidence:

Section 192 of the Indian Penal Code states that whoever causes any circumstances to exist or makes any false entry in any book or record, or makes any document containing a false statement, may appear in evidence in a judicial proceeding, or in a proceeding taken by law before a public servant as such, or before an arbitrator, and that such circumstance, false entry or false statement, so appearing in evidence, may cause any person who in such proceeding is to form an opinion upon the evidence, to certain an erroneous opinion touching any point material to the result of such proceeding, is said 'to fabricate false evidence'.

By filing a false complaint with the State Bar of California with allegations that they had not received the Stock Certificate from Amerindia, Randhawas have committed a Criminal Offence under Section 192 of IPC.

c. Punishment for false evidence:

Section 193 of the Indian Penal Code states that whoever intentionally gives false evidence in any stage of a judicial proceeding, or fabricates false evidence for the purpose of being used in any stage of a judicial proceeding, shall be punished with imprisonment of either description for a term which may extend to seven years, and shall also be liable for fine.

As there is an ample proof, supported by fully authenticated documents, this Court has the proper jurisdiction to impose the maximum penalty of imprisonment of full seven years upon Randhawas. Their various deliberate criminal acts have caused a very severe economic and irreparable harm and injury to Amerindia and this Hon'ble Court must impart justice.

II. Criminal Conspiracy:

Section 120A of the Indian Penal Code states that when two or more persons agree to do, or cause to be done (1) an illegal act, or (2) an act which is not illegal by illegal means, such an agreement is designated a criminal conspiracy provided that no agreement except an agreement to commit an offence shall amount to criminal conspiracy unless some act besides the agreement is done by one or more parties to such agreement in pursuance thereof.

Section 120B read with sections 471 and 420 of the Indian Penal Code proscribes punishment for conspiring to use forged documents and thereby obtain a conviction based upon false and fabricated documents.

By conspiring with the State Bar Prosecutor to destroy the crucial evidence of DHL Cover; to hide the fact that Amerindia never issued stock certificate and concealing the stock certificate in secret illegal

agreement with the Prosecutor with a clear criminal intent to harm and injure Amerindia, Randhawas have committed Criminal Conspiracy as defined in our Penal Code and made abundantly clear by our courts in India.

III. Abuse of process:

Sections 206 to 211 of the Indian Penal Code provide punishment for abuse of process of courts. Section 206 particularly makes fraudulent withdrawal or concealment, transfer or removal of property so as to defeat the just claims of those who may have a right in it, a non-cognisable offence.

By intentional and deliberate actions undertaken by Randhawas before the State Bar of California and such actions summarily declared as admissible against Amerindia, Defendants have abused the process of court and as such must be punished to the degree which this Hon'ble and just Court deems fit.

After the criminal sanctions and damages, the most important issue before this Hon'ble Court is the validity of the Decision of the State Bar Court, ANNEXTURE 13, attached herein and made a part hereof. This Decision which though rendered by a State Bar Court judge has become the final decision because of the summary disposal by the Supreme Court of California. It has become a Public Matter and can be viewed by anyone in this world on the internet.

It is an extremely contradictory decision. Here the judge of the State Bar Court, Pat McElroy, blasts AFL as a sham corporation

"In fact, the Randhawas were never given any interest in AFL." (Dec. p.12. Lines 13-14). This statement is not true. Randhawas hold 50,000 shares of AFL under Certificate of Shares Number 8. This fact was

known to Randhawas and either not communicated to the Court or withheld by the Prosecutor.

"[There is] no banking statements to support the banking transactions among AFL." (Dec. p. 23. Lines 4-5). This statement is not true. ANNEXTURE 5 clearly shows a banking transaction of Rs. 5,00,000 in the name of Jagjit Singh. This document was withheld by the Randhawas and the Prosecutor from the Court.

"Despite Respondent's and AFL's repeated promises and Jagjit's constant inquiries regarding AFL stock, to date, the Randhawas have not received a single stock certificate or any evidence of their investment." (Dec. p. 6. Lines 7-9) How can this statement be made a public matter which clearly slanders AFL when in fact the Randhawas DID receive the stock certificate. It is an extremely prejudicial and degrading statement and must be PERMANENTLY enjoined by this Hon'ble Court.

This Decision is full of inconsistencies, contradictions and insults to AFL and its officers. The State Bar Court judge knew these facts to be false or should have known them to be false. Yet, she made this decision on extremely flimsy and non-existent and concealed facts without issuing a complaint, summons and any notice, whatsoever, for a hearing and presentation of defense to the severe and degrading comments made public.

The most damaging statement which this Decision makes as to AFL is the statement that AFL had prepared an 'Investment Brochure' (Emphasis added) which the Randhawas reviewed and on that reliance invested in AFL. This statement subjects AFL to CRIMINAL SANCTIONS AND PENALTIES under our SEBI Regulations and FERA (1973) now FEMA. As is very clear AFL never issued any such brochure. The Court has NOT seen any such brochure as no such brochure ever existed.

It is, therefore, before this Hon'ble Court to prevent this injustice to its citizens imparted by a foreign judge who based her decision of absolutely false and non-existent evidence.

JURISDICTION

This Court have full, clear and proper jurisdiction over both 'Comp.' and 'Present'. Jurisdiction over 'Comp.', Amerindia is invoked as it is an Indian company which has offices in New Delhi. Jurisdiction over 'Account' is hereby invoked for the following three factors:

- i) The business was conducted in New Delhi
- ii) The transaction was performed in New Delhi,
- iii) The Stock Certificate was issued in New Delhi,

Furthermore, jurisdiction for Criminal Sanctions is invoked through a landmark yet very tragic case of *CBI v. Warren Anderson, Union Carbide*, (1992) Docket R. T. Number 2792 in the Court of Judicial Magistrate, Bhopal under Section 70 of the Code of Criminal Procedure, 1973, Criminal Procedure Act II, 1974.

Jurisdiction is also invoked under *Satya v. Teja Singh* (1975) 1 SCC, 120 A.I.R. 1975, S.C. 105 which held that all judgments, whether domestic or foreign, are void if obtained by fraud. Accordingly, a foreign decree procured by fraud bearing a jurisdictional facts would not be recognized under this section as being contrary to public policy and as offending against notions of substantial justice.

Contemporarily, even under Code of Civil Procedure, Section 20 (c) confers jurisdiction on courts in India over foreigners if the cause of action arises, as here in this case, within the jurisdiction of a particular court in India even in the absence of the foreigner and even where he has not submitted to its jurisdiction, See *Sahib Thambi v. Hamid* (1913) 1 L.R. 36 Mad. 414.
